

IDEATHON 2k21

RULEBOOK

The event will be conducted in two rounds.

Round 1:

In this round, you will be expected to submit your problem and idea in a pre-specified written format.

Round 2:

Top ideas will qualify for round 2 which will be a presentation based round.

You will be given 10-15 minutes to put forward your idea before the jury.

This will be followed by a short Q&A regarding your proposal.

Submission Format: Round 1

Guidelines:-

1. Word limit : 0-2000 characters
2. Cite the data sources wherever necessary
3. Do not mention your name anywhere in the submission.
4. Click on **ADD PROJECT** and follow the format given below.

Format

Project Name: Enter the title of your idea here

Tagline: Explain your idea in brief

The problem it solves: Explain the problem in detail (what problem you chose, Why is it a significant problem?)

Also, you have to write your idea in this section only. ONCE you have completed explaining your problem leave one line and give the heading “THE IDEA” and write your idea. In this section, explain your approach/methodology in detail.

Challenges I ran into: This section is optional. Write limitations of your idea in this section.

Technologies used: Enter the technologies you used here in this section.

If you are unable to select the technology or there is no technology used, write “NA” in the provided section and press enter.

Links: Enter “<https://ecelliitp.org/>” (without quotes) in this section and press enter key if you confirm that the submission made by you is not plagiarized.

The other two sections are **optional and** will not be considered during evaluation.

Note:- If you are unable to share your idea in the given space, add a link to google document for the same in the links section.

How to submit

Once you have completed writing your idea in the format given above, follow the instructions given below:-

1. Click on “Preview Submission” button.
2. Click on “Save Project” button.
3. Click on “Edit” button if you wish to make changes in your current project.
4. Click on “Delete” if you wish to create a whole new submission.
5. Click on “Submit project for judging” once you have completed the project. **Note** that you cannot make any changes once you click this button.

Rules

- Idea submission must be in the specified format only.
- The ideas from all different themes will be allowed.
- Plagiarism of any type will not be entertained.
