IDEATHON 2k21

How to register?

1. Visit the website https://ideathon.ecelliiitp.org/ and click on Apply with Devfolio button.
2. Enter your name and write a short bio about yourself.
3. Add your educational details.
4. You can add any of your skill but adding at least one skill is necessary.
5. While adding your links, you can add link to any of your social media account, GitHub, Kaggle, etc. It is compulsory to add one link.
6. If you are stuck anywhere, please **refresh** the page.

How to register as a team?

1. All the team members should follow all the steps given in the above section.
2. One of the team members should create team in the Create Team section and share the link to others using which other team members can join.

Still stuck somewhere? You can mail us the issue at ecell@iiitp.ac.in and we will get back to you as soon as possible.
